## Essential

Fast and sustainable delivery in the city is now also available to entrepreneurs who ride few kilometres.

The Essential subscription gives you a DOCKR Kettler M for a fixed, low monthly fee.

## The benefits in a row

Do you ride less than 1,500 kilometres a year? But still just want to access the city centre easily? Then this is the subscription for you.

### Entrepreneurs with few kilometres

Enthusiastic users of the Kettler M come in all shapes and sizes. These two examples speak for themselves:

- ✓ Shops that deliver occasionally and want to be optimally visible in the city
- ✓ Offices that arrange lunch quickly and easily with an electric cargo bike

### Flexible subscription

Accessories or no accessories? A short or long contract duration? You choose your preferences, so you take advantage of a low monthly fee without any extras you don't use.

### Always carefree on the road

Repairs or theft? We come by quickly and fix it. Regular maintenance is also included in your subscription. So you can hit the road carefree.

## Kettler M

[View model](#)

At 180 litres, the Kettler M is our little powerhouse. This model is remarkably easy to manoeuvre and can you transport up to 120 kilos. With two batteries, you have a range of 100 km.
